Gannon University is pleased to be able to provide children in the community with challenging, creative, and fun activities during the summer weeks. We strive to make their time with us not only enjoyable but safe. As parents and guardians of these children, Gannon University feels you should be fully informed of the conditions under which your children are visiting our campus. This Release and Indemnification Agreement is mandatory for your child's participation in our Summer Program. Please be assured that every effort has been made to provide your child with a healthy, safe, "kid friendly" environment in which to enjoy these programs.

The undersigned representative, on behalf of the child named below (herein after "the child"), who desires to participate in the Summer Program, and in consideration of being permitted to participate in said activity, voluntarily and knowingly executes this release and indemnity agreement on behalf of the child with the express intention of extinguishing the rights and obligations designated herein. The undersigned representative, on behalf of the child, hereby grants the Gannon University representatives the permission to provide treatment for emergency and/or minor medical injuries or illnesses, which may arise while the child is participating in a Summer Program activity.

As representative of the child, I hereby elect to and assume all risks for claims hereinafter arising, known or unknown, from the conduct of the Summer Program and hereby knowingly and voluntarily expressly release Gannon University, its employees, agents, representatives, officers, directors or others acting on behalf of Gannon University from all liability for claims arising out of such matters. Activities for the Summer Camps Program may include educational classroom activities, walking around campus, participating in laboratory activities, and recreation activities both indoor and outdoor.

With the intention of binding the child and with full authority to do so, I hereby release, discharge and indemnify Gannon university, its employees, agents, representatives, officers, directors or other acting on behalf of Gannon University from any and all claims, demands, actions, judgements, and executions which the child ever had, or now has, or ever will have, or which the child may claim to have against Gannon University, its employees, agents, representatives, officers, directors or others acting on behalf of Gannon University, in connection with or arising out of directly or indirectly, any and all matters relating to the Summer Program, including all alleged acts of negligence by Gannon University employees, agents, representatives, officers, directors, or others acting on behalf of Gannon University.

As the duly authorized agent of the child I have read this release indemnification and understand all of its terms. This release of indemnification agreement is executed voluntarily with knowledge of its contents and significance.
